30 Minute Health Coaching Consultation Included

Solve your food-based health mysteries by testing your levels of sensitivity to 94 common foods. Includes a 30-minute call with one of Dr. Cabral's certified IHP health coaches who will discuss with you exactly which foods you are having a mild to moderate to severe IgG reaction to.

There's no question that the foods we eat have a big impact on our health and quality of life. This is a simple and straightforward way to get the results you need to begin making positive health changes in your life. Welcome to personalized natural medicine at its best!

Collection Method: Finger Prick

**US law prohibits shipment of lab products to New York State and Rhode Island*

**Attention International Clients: Return shipping is not included with this lab purchase. Please check with your country's regulations on shipping your sample back to US.*
