

# The world is big, we make it smaller.

All the tools you need to find the best vendors  
and start collaborating.

## VENDOR DISCOVERY

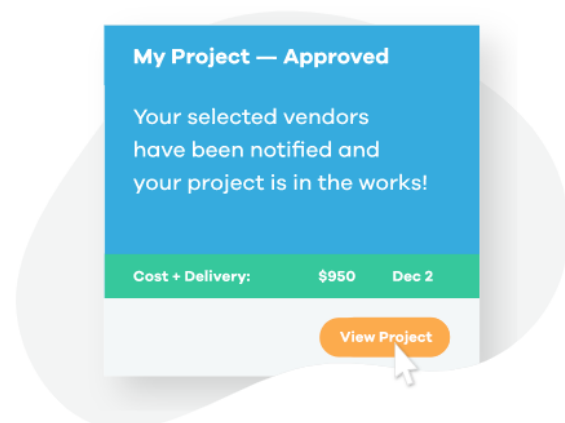

### Find each other, grow together.

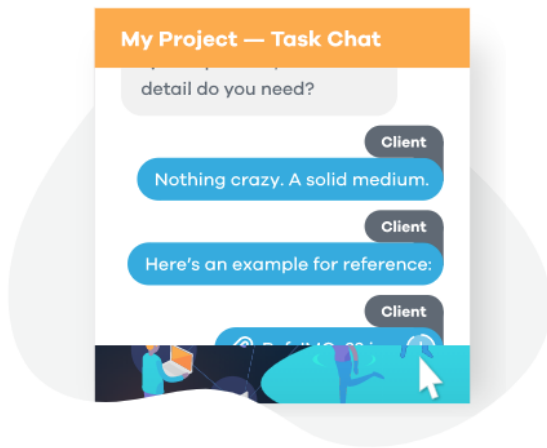

Find vendors offering the services you need,  
complete with transparent information.

## BIDDING

### Award work on your terms.

Triple-bid and divide tasks across vendors to  
maximize for value, speed, or any desired  
metric.

## REAL-TIME COLLABORATION

### Email isn't made for managing projects. Hotspring is.

Communicate with vendors, manage schedules, and receive deliveries – all in one place.

**Find your ideal partner.  
Go ahead, dive in.**
