

The Fellows Program

Creating a significant impact in the entertainment industry is realized not only through networking and building key relationships, but also through innovative educational programs.

The Blackhouse Foundation and BET Networks are partnered in sponsoring ten (10) current MFA Fellows from schools across the country to intern with the Blackhouse Foundation during the 2019 Sundance Film Festival. This is the 4th Blackhouse Fellows class.

The Blackhouse Fellows Program offers an excellent opportunity for fellows at prominent film schools across the country to get hands-on experience at one of the world's premiere film festivals.

Fellows assist the Blackhouse Foundation with events and programming throughout the festival.
