

Product Name: Safe₂O Acidified Calcium Sulfate 100
Synonym: Safe₂O ACS 100
Recommended Use: Acidulant
Emergency Phone: Chemtrec 1-800-424-9300

Net Contents: 260 Gallons
Net Weight: 2,792 lbs / 1,266 kg
LOT#: M062219ACS

**Acidified Calcium[®]
Sulfate 100**

Chemical Name:	C.A.S#
Acidic Calcium Sulfate	N/A
Water	7732-18-5

WARNING

Part # 41239

May be corrosive to metals. May cause skin irritation. May cause eye irritation.

Do not breathe mist/spray. Do not get in eyes, on skin, or on clothing. Wear protective gloves, protective clothing, eye protection, and face protection. Keep only in original container.

Emergency and First Aid Procedures

Inhalation: IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing.
Eyes: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If irritation persists: Get medical attention.
Skin Contact: IF ON SKIN (or hair): Remove/Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse.
Ingestion: IF SWALLOWED: rinse mouth. Do NOT induce vomiting.
Spill: Absorb spillage to prevent material damage.

Storage: Store between 41° to 113° F (5° and 45° C). Do not freeze or keep at temperatures below 41° F. Store in corrosive resistant container with resistant inner liner.
Transport Information: UN3264, Corrosive Liquid, Acidic, Inorganic, N.O.S. (sulfuric acid solution saturated with calcium sulfate), 8, PGII
