At Alto, your ride is our obsession. With new cars, professional employee drivers, and an elegant app that puts you in control, Alto is creating a new standard for on-demand rides.

Control your ride's music, lighting, or set your driver to "do not disturb mode," all from the touch of your app. With Alto, you drive everything, except the car!

This rating is entirely based on the user interface. I'm visually impaired and find that virtually all components are quit small and difficult to see. There's a small label that prompts you to input the pickup location into a relatively tiny field. There are very small icon on each side at the botto...
