----------	-------	--------------

- Optimized for Logitech G and PRO Gaming Headsets
- Subscription auto-renews every year and can be cancelled anytime
- Experience Personalized Spatial Audio™ with any game
- Close Combat - brings you right into the action as you feel bullets whiz by
- Presence - Move the sound field closer for proximity or extend it away from you for a more spacious feeling
- Sound Wheel - Not only hear but also see the incoming sound objects from far-away like enemy fire
- Mini Mode - Small UI stays as a position-locked overlay so nothing comes in between you and your game
- Shortcuts - Control Close Combat and Immerse On/Off without leaving your game

Hear It First. Hear It All.

Take a picture of your right ear, and summon the power of Immerse into your Logitech G headset.
