Get Up. Get Out.
Get Flexing Frog.

Flexing Frog is a networking and meetup app for anyone who likes to get up and get moving. Flexing Frog connects you with like-minded people to meet, play, and compete with, whether that's a pickup basketball game, a yoga class, or any physical activity in between.

How Flexing Frog Works

Pick the sports and activities you're interested in

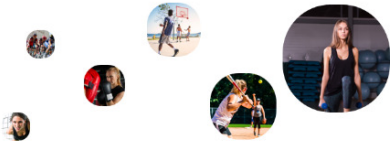

Swipe from people who share your interests, view nearby events that match them, or create one yourself

and easy way

The Flexing Frog Story

Flexing Frog was created by two lifelong athletes unified by a simple goal: discover a better way to find a workout partner or group to exercise with. That idea soon took on a life of its own, expanding to include fans of every sport, workout, and physical activity under the sun.

Flexing Frog isn't just another fitness tracker or calorie counter app. It's here to help create and grow fitness networks, to develop bonds with other people doing the

More Than A Meetup App

Flexing Frog isn't just another social media app. It's a single destination, a one-stop shop for everything you need to maintain a healthy and active lifestyle. Browse the news feed for the latest news, articles, and fitpiration from health experts, then put that knowledge to action by joining a meetup or creating one yourself.
