It's the combination of a pretty piece of land, excellent facilities, and a collection of people whose focus is your comfort, safety and satisfaction. If we're doing things right you'll find yourself completely unplugged, for a few days anyway, from that business back home. Hunt must be taken in 2017 and includes limit of five pheasants per day per hunter, lodging, all meals, open bar, daily housekeeping service, bird processing (including freezing and packaging), guides and dogs.

Additional hunters may be added at regulator rates. Not included are license and gratuity.
