### OVERVIEW

Premium sound to maximize any design.

DesignMax loudspeakers bring outstanding audio and aesthetics to any commercial space. With 12 models to choose from, it's easy to create tailored solutions that deliver instantly impressive sound. QuickHold mounting mechanisms make installation efficient, reducing strain and hassle — and saving substantial time. And with both black and white versions available, DesignMax loudspeakers integrate seamlessly with any décor.

The 25-watt DesignMax DM3C loudspeaker features a two-way 3.5-inch woofer and 1/4-inch tweeter coaxially mounted within the Dispersion Alignment system, producing a frequency range of 75 - 20,000 Hz. The DM3C is ceiling-mounted and installs easily via QuickHold mounting arms.
