# PERFECTLY MATCHED BEAUTIFULLY COORDINATED

Creating a bathroom that fosters harmony and relaxation takes careful thought and inspiration. GROHE helps you achieve your vision with two distinct collections of ceramic sinks and toilets designed to pair with an array of GROHE faucets.

For a clean, tailored look, the **Eurocube®** collection offers sharp lines and precise angles. For a softer vision, the Essence collection offers gentle curves and pleasing contours. Each collection reflects the design aesthetic of an array of GROHE faucets and exemplifies the precision and craftsmanship that are hallmarks of the GROHE legacy.

## **SOFT CURVES** ESSENCE TAKES A ROMANTIC TURN

Pure and organic, the Essence collection invites relaxation and contemplation. From the timeless elegance of the sink to the gentle profile of the two-piece toilet, Essence transforms an everyday space into a special retreat. Complete this exceptional design with a coordinating GROHE faucet from the Essence, Eurosmart®, Atrio® or Grandera® collections.

## **LINE FOR LINE** **EUROCUBE®** OFFERS SMART, TAILORED SOPHISTICATION

Clean, precise angles define the Eurocube® collection. From the architectural appeal of the sink to the stoic profile of the two-piece toilet, this harmony of design creates a lasting impression. Complete this contemporary aesthetic with the sleek look of a GROHE faucet from the Eurocube®, Allure Brilliant, Lineare™ or Plus collections.

# MAKE A PERFECT MATCH

The GROHE Perfect Match system makes designing a beautiful, well-appointed bathroom easy. Two distinct ceramics collections reflect the design aesthetic of a variety of GROHE faucets. Pair your favorites for a coordinated look.

Each of our matches was tested to be perfect in design and function. Choose a ceramic style. Choose a coordinating faucet. Choose matching accessories. Change your mind? Try another combination. The options are endless. The results are exceptional.

# GROHE EUROCUBE®

Semi-professional faucets from GROHE feature the highest quality materials to withstand heavy use as well as convenient features for at-home chefs, including easy, one-hand operation, a spring arm that allows for full 360° sink mobility and high performance spray.

Height allows for under cupboard installation

### SMOOTH TURN

360° Maneuverable spring arm for utmost flexibility

### METAL DUAL SPRAY WITH TOGGLE FUNCTION

Switches between regular water flow and spray without turning off the water

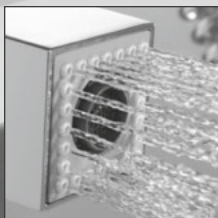

Spring arm allows for full 360° sink coverage with easy, one-hand operation

Slightly softened edges for comfortable grip

### SPEED CLEAN®

100% Cubical spray face design with Speed Clean® technology to remove limescale with a single wipe

### FORWARD ROTATING LEVER

Allows ample range of motion to avoid backsplash

### GROHE SILKMOVE®

Smoothest handling for effortless precision and ultimate comfort for a lifetime

# EUROCUBE®

**Eurocube®**  
Semi-Pro Faucet

- GROHE SilkMove®
- GROHE StarLight®
- Speed Clean® anti-lime system
- 21 3/4" Faucet height
- 6 1/4" Aerator height
- 9 3/16" Faucet reach
- Dual spray with toggle function: switches between regular water flow and spray without turning off the water
- Single-lever sink mixer
- Forward rotating lever
- Adjustable flow rate limiter
- 360° Maneuverable spring arm
- 140° Swivel area in docking station
- Stainless steel braided hoses
- Forward rotating lever to prevent backsplash interference
- 1.75gpm
- CALGreen compliant
