Movies & Popcorn Declaration

Global Vision Conference

Join

**Don't just sit there and watch the movie, get on that screen and play the part!** Part of your "VISION" is stepping fully into what it takes to make your dream a reality. Do the work, take the lead and shine.

The Global  
Vision  
Conference: A  
day to raise our  
popcorn cups

# Conference: A day to raise our popcorn cups and raise the hopes, dreams and Visions of Humanity

A Global Conference of  
Visionaries... Visionary  
entrepreneurs, innovators, artists,  
scientists, designers, dancers,  
developers, dreamers, authors,  
activists, entertainers, business  
leaders and CHILDREN...TO RAISE  
THE VISION OF THE WORLD! To  
inspire, teach, learn, and support  
YOU in the discovery, pursuit, and  
ACHIEVEMENT of YOUR VISION.

The Movies and Popcorn Movement is a vision whose time has come. It is self-evident that every child on the planet deserves food and clothing and movies and popcorn.

And now, as individuals around the globe are joining the movement, living their vision, and holding the vision, magic is happening! People are awakening to the fact that they have the power to make a difference and we really can feed and clothe every child on the planet, and share movies and popcorn with them!

You are now a part of something bigger than yourself! Welcome!

A handwritten signature in black ink, consisting of stylized, overlapping loops and a long horizontal stroke extending to the right.

# The Movies & Popcorn Movement Declaration

## Every Child on the Planet Deserves Food & Clothing... And Movies and Popcorn<sup>™</sup>!

Right!?! Every child on the planet deserves food and clothing... and movies and popcorn<sup>™</sup>! We have all the food. We have all the clothing. And we have plenty of movies and popcorn! We just lack the vision. "Where there is no vision, the people perish." -Proverbs 28:19

the vision. Where there is no vision, the people perish." -Proverbs 28:19

## We Can Do It!

We have done the impossible before! We have harnessed the energies of science to create electricity... the energies of medicine to create vaccines... the energies of flight to put a man on the moon... the energies of technology to create the internet. And, now for the first time in the history of the world, we will harness the energies of love, to feed and clothe every child on the planet (and share movies and popcorn<sup>TM</sup> with them!)

of love, to feed and clothe every child on the planet (and share movies and popcorn™ with them!)

## We Are All Connected

We were all children once! All children love to have fun! All children love to laugh! All children love to ride bikes! All children love bedtime stories! All children love adventures! All children love super heroes! What was your greatest childhood memory? Every child deserves that memory too!

## Everyone Can Make A Difference

The movies and popcorn movement is a vision whose time has come. It is self-evident that every child on the planet deserves food and clothing and movies and popcorn<sup>TM</sup>. And now, as individuals around the globe are joining the movement and holding the vision, magic is happening! People are awakening to the fact that they have the power to make a difference and we really can feed and clothe every child on the planet!
