## ABOUT US

REDHAWK™ Services, formerly known as Faulk Enterprises, was founded back in 1974, when Milton Faulk built his first Self-Storage Facility in Bellevue Nebraska. From there, he set off to build and open more Self-Storage Facilities and Warehouses throughout the Omaha Metro area. We were pleased to have been one of the first and top Storage Companies here in Omaha, NE. In 1984, Milton's son, Charlie Faulk became President of the company. Charlie continued to grow and manage more Self-Storage Facilities. In January of 2020, the company name changed from Faulk Enterprises to REDHAWK™ Services. Today REDHAWK™ Services is still proudly owned and operated by the Faulk Family. The company is still growing and expanding. We are proud to have over 3,100 storage units. We look forward to continuing our growth in the Self-Storage and Warehouse industry.
