

SIMPLIFY THE GLOBAL PAYMENT

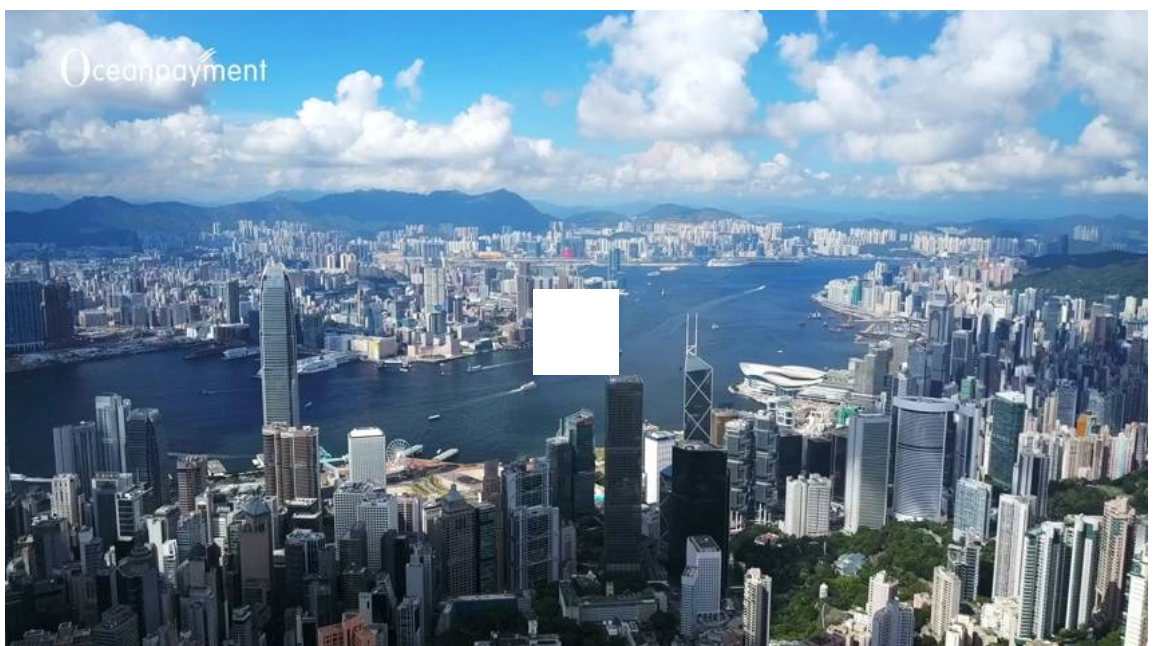

One-stop Payment Solution Provider, seize the golden opportunity with Oceanpayment.

Company Overview

Oceanpayment, a global payment service provider strives to offer safe, convenient, professional and simple payment solutions to merchants conducting cross-border transactions. Headquarters in Hong Kong, Oceanpayment comprises a group of experts who have years of working experience and in-depth understanding in payment industry globally, we have set up Technology & Operation Centers or Business Entity in Shenzhen, Australia, America, Europe and Singapore.

Serving thousands of merchants who are covering billions of U.S. dollars of transactions monthly in 200 countries, we help businesses of all sizes, from small to large, accept and process payments to maximize business opportunities and revenue growth. By offering over 500 payment methods in one platform, Oceanpayment enables merchants to accept a variety of payment types, across multiple channels, anywhere in the world.

Oceanpayment builds solid connection among acquirers, payment service providers and merchants by delivering a variety of value-added payment-centric services. To be the world's most progressive and reliable payment partner, Oceanpayment shares insights and helps customers prosper.
