

For the Trimmer, razor and shaver with primary power source.

Replacement for the Trimmer.

SKINSAFE™ BLADE REPLACEMENT

FOR THE LAMINAR™ TRIMMER

The Lamina™ is equipped with a replacement blade with SKINSAFE™ technology. SKINSAFE™ engineered blades designed to prevent nicks and irritation. Cut through coarse or thick hair with softness. The ultra-small honing teeth, combined with a ceramic blade pushed back from the edge, help create an optimal shaving experience.

Compatible with The Lamina™ Trimmer.

REPLENISHMENT PLAN

\$14.99 (USD) with FREE SHIPPING

Your Replenishment Plan will be billed at \$14.99 every 3 months. See additional terms and conditions.

THE SKINSAFE™ REPLACEMENT BLADE

SKINSAFE™ engineered blades designed to prevent nicks and irritation. Cut through coarse or thick hair with softness. The ultra-small honing teeth, combined with a ceramic blade pushed back from the edge, help create an optimal shaving experience.

HYGIENIC

The ceramic and stainless steel blades are designed to withstand daily use and help to keep your skin clean and healthy. The ultra-small honing teeth, combined with a ceramic blade pushed back from the edge, help create an optimal shaving experience.

LUBRICATED

Each blade is pre-lubricated to ensure a smooth and comfortable shave. The ultra-small honing teeth, combined with a ceramic blade pushed back from the edge, help create an optimal shaving experience.

WHY NOT USE A FACE TRIMMER BELOW-THE-WAIST?

DID YOU KNOW DIFFERENT BACTERIA LIVE ON DIFFERENT PARTS OF THE BODY?
