Keep your BuzzRx Prescription Discount Card in your wallet or purse and present it every time you fill a prescription at the pharmacy.

Dear Sample Family,

Your new BuzzRx Prescription Discount Card has arrived! This card entitles you – and every member of your family (including pets!) – to save up to 80% on more than 50,000 branded and generic prescription drugs at over 60,000 participating pharmacies nationwide! This program also donates \$1 to Make-A-Wish® every time you save, at no cost to you. The donations will help fund life-changing wishes for children with critical illnesses in your community.

**Best of all, your card is pre-activated and ready to use with NO fees, NO paperwork and NO pre-existing exclusions. Everyone qualifies, there is unlimited usage and the card never expires.**

It's FREE and easy to use, just follow these three simple steps:

1. Take your prescription(s) and BuzzRx Prescription Discount Card to your favorite pharmacy.
2. Present your BuzzRx Prescription Discount Card to the pharmacist.
3. Save up to 80% on your prescription(s) and all future prescriptions!

BuzzRx is dedicated to making prescriptions affordable for everyone. Program members have already saved over \$660,000,000 on prescription drugs! Cardholders can save up to 80% per prescription filled, which amounts to a savings of over \$382 per year!

Remember to use your card every time you fill a prescription at one of more than 60,000 pharmacies across the country. Participating pharmacies include: Walgreens, CVS, Target, Walmart, Safeway, Costco, Winn Dixie, Rite Aid, Kroger, Publix, Duane Reade, Medicine Shoppe, ShopKo, and thousands more nationwide!

Don't fill another prescription without your BuzzRx Prescription Discount Card. Help support Make-A-Wish (at no cost to you) and start saving on prescription medicines today!

Sincerely,

Jeffrey Simon  
Director of Card Membership
