**INSULATED BREASTMILK  
COOLER + WARMER**

*For Moms-On-The-Go*

**16 oz**

**CONTENTS**

- PATENT-PENDING  
TEMPKEEPER™ LID**
- 1 BPA-FREE, NON-TOXIC  
COLD PACK**  
*(Interchangeable hot pack  
sold separately)*
- (Glass bottle sold separately)*
- DOUBLE-WALLED VACUUM  
INSULATED FLASK**  
*with thermal copper lining*

**INSTRUCTIONS FOR USE:**  
Place cold pack into freezer until frozen (24 hours for best results) and twist into TempKeeper™ lid. Place breastmilk bottle or bag into cooler and seal tight with cold pack. Keeps breastmilk cool for up to 20 hours with cold pack. Double as a bottle warmer with heat pack. Use caution when handling both cold and heat packs.

**m·k**

With peace of mind that your breastmilk is safely stored, both you and baby will thrive! Inspired by her work with UNICEF, certified lactation educator and mama of two created Mila's Keeper™ to empower mamas to thrive during their personal breastfeeding journey.

Every purchase comes with the *Empowered Mom Guarantee* which ensures quality of our products and an investment in female empowerment programs.
