Coinbase makes you wait almost 2 weeks to be able to withdraw money from your coinbase accounts. They take out the money from your bank account the next day, but put a two week

Binance: Bitcoin Marketplace & Crypto Wallet - Apps on Google Play

hold onto your funds in coinbase so that you can not withdraw money from coinbase. This is very frustrating for me because ...

Love the app and binance but you have destroyed the fingerprint functionality with the new update. I have an in-screen fingerprint sensor and now it doesn't give me enough time to place my finger on the display. I think I can log in if I hit the sensor in a time window of half a second. I hope you f...

The latest update brought some welcome changes to the app. I've been enjoying using it, and I have no complaints about the experience. However, the latest update also brought a really annoying feature that makes me uncomfortable, any time I click on the bottom-most tabs (Home, Market, Trades, Future...
