## How We Do It

Every day, we help brands leverage infinite possibilities and implement ideal solutions thanks to our in-house manufacturing capabilities, exceptional project management, advanced technology, and extensive field partner network

[Learn More](#)

## Retail

We help retailers — from big box stores to national chains — connect with customers, create energy-efficient experiences, and more

[Learn More](#)

## Healthcare

From wayfinding signage to major campus conversions, we help healthcare organizations improve traffic flow and patient experiences.

[Learn More](#)

## Financial

We support financial institutions with branding including ATM retrofits, nationwide rollouts, preventative maintenance, and more.

[Learn More](#)

## Telecommunication

Our telecommunication work helps connect the power of business and brand — deepening customer relationships, improving energy utilization, ROI and more.

[Learn More](#)

### Petroleum & Convenience Stores

Providing a number of compelling, energy-efficient, well-maintained brand and service solutions.

[Learn More](#)

### Restaurant

We're helping restaurants create memorable customer experiences, reduce energy costs, and compete in an ever-changing market.

[Learn More](#)

### Transportation

Stratus supports rental car companies, dealerships, and other transportation businesses with signage, wayfinding, lighting, and more.

[Learn More](#)

### More Industries

Our work touches brands in virtually every industry. Learn more about the markets we're supporting every day around the world.
