

The image shows a screenshot of the Google Play Store page for the 'ANALOG' app. The page is overlaid with a large purple promotional banner. At the top of the banner, the word 'ANALOG' is written in white. Below it, a smartphone displays the app's interface. The interface shows a user profile for 'Wendy Watson' with 160 followers, 234 publications, 635 comments, and 23 comments. There are 'Connect' and 'Follow' buttons. Below the profile, there are options to 'Filter by', 'Sort by', and 'List View'. A large digital countdown timer is displayed, showing '100 : 24 : 14 : 31' for 'DAYS', 'HR', 'MIN', and 'SEC'. The background of the page is dimmed, showing the Google Play navigation menu on the left and a 'Similar' section on the right with other countdown-related apps.
