UPDATE: App works with VPN disabled The Android app is in a sad state. A month ago, it would crash when uploading a photo during registration. I ended up completing on an iOS device and with the help of customer service (who was very friendly!). Now, I can't even get past the first screen of the...

Hi Sharon, thank you for your review. I'm sorry to hear you had a negative experience with our mobile app - this is unfortunately an issue we're experiencing when guests are using a VPN. For future use, I advise to disable your phone's VPN then to relaunch the Cabana app: <https://support.google.com/android/answer/9089766> - Thanks, Levi @ Cabana

No internet connection? App keeps telling me I need an internet connection despite having an internet connection. Can't even get it to open. 0 out of 5 stars. Will update review if they ever get it working.
