Base Color: Blush, **Shade Color:** Off-White

Okay I love these lamps. I am not a big lamp in the bedroom type person but as I have gotten older I need something. My nightstands homemade are not that big and I wanted something to work. I did have to purchase a new lampshade as the shade itself would not accommodate my light bulbs. So with the new shade they work perfectly I included a picture with the light bulb how it sticks up over the shade. And then the new shade is just more attractive. BUT I love the lamps, they are tiny but elegant. [More](#)

I was surprised to only receive one lamp, as its advertised to be a set, but I only needed one, so I really didnt care. The lamp has a beautiful design in the glass, and the color is a nice beachy blue. Good quality. It is perfect as a small accent lamp.
