I purchased the sofa and loveseat, and these are very comfortable! Big enough to lounge or lay down, and fit nicely in my small living room. Delivery team was great and I'm thrilled so far with this purchase.

I love this couch. Its super comfortable, not too heavy and easy to move. It also has a nice height and my robotic vacuum is able to drive right under and clean. The only drawback (not for me) is that some shorter people who sit on the couch feel that its a little too deep for them. Im 61 and find it very pleasant.

My cats love this love seat. Still has the plastic covering on it. I haven't been able to place it where needs to be. Not done redecorating.
