

## Ingrid E. Olsen

### Chief People Officer

Ms. Olsen serves as Chief People Officer for Inovalon. In this role, Ms. Olsen is responsible for all aspects of the strategy and processes of building, developing, maintaining, engaging, and supporting Inovalon's exceptional team of personnel and their achievement of the Company's mission, professional growth, and fulfillment.

Prior to joining Inovalon, Ms. Olsen served as the Chief Integration and People Officer for OnRobot, a global robotics technology company based in Europe, where she was responsible for driving all operational and cultural integration activities for corporate acquisitions, human resources, and global sales coverage expansion. Prior to this role, Ms. Olsen served as Vice President, Strategy and Go-to-Market for the EMEA Enterprise of Dell EMC. In this role, Ms. Olsen was responsible for the integration activities of Dell EMC across the EMEA Enterprise and the associated go-to-market strategy for the associated \$4 billion business covering 1,400 enterprise accounts across 38 countries. Prior to this role, Ms. Olsen served in a number of expanding management, support, and operational roles at EMC Corporation, a global leader in enabling business and service providers to transform their operations and deliver IT as a service, from 1998 through 2016. During this time, Ms. Olsen served in roles of Market Growth and International Strategy, Strategic Operations, Go-to-Market, and Human Resources for individual countries, regions, and global applications. While at EMC, Ms. Olsen also introduced, deployed and brought to fruition the concept of BUSINESSRELEVANT HR. Prior to her time at EMC, Ms. Olsen worked for the law firm of Skadden Arps in Boston, Massachusetts, supporting its global corporate mergers and acquisitions practice.

Ms. Olsen graduated with a Bachelors of Arts Degree, Summa Cum Laude, in Political Science and Psychology from Northeastern University in Boston, Massachusetts.
