

SRC'S MISSION STATEMENT

Scottsdale Recovery Center aspires to set a whole new standard for long-term success within a demographic that is all too familiar with the horrors of addiction and relapse. In helping adults to identify their skills, rebuild their hopes, re-create their lives and rejuvenate their perceived values of their life's journey, we WILL make progress...one addict at a time, one alcoholic at a time, one family at a time. And while some have said that failure can be a learning experience, we choose a new way, a way of unwavering dedication and unbridled ambition toward success, recovery, joy and love! - WELCOME TO SRC!
