

# HR Portal™ Capabilities

---

- ↳ **Configurable Portal Framework**—Aon’s portal is intentionally designed to be configurable and customizable
- ↳ **Expandable Structure**—Aon’s proprietary portal can grow with you. As your services, customers, culture, and business evolves so can your portal
- ↳ **Rapid Implementation Methodology**—Leverage knowledge already gathered through discover efforts and quickly configure
- ↳ **Knowledgebase Integration**—Portal content and tool used by Service Center to respond to phone and email requests
- ↳ **Personalized**—Customer profile data is used to drive a personalized experience. This too can grow with your changing business and evolving customer experience
