Our top of the line Rolling Walker has lockable hand brakes and a padded seat and backrest that provide comfort and safety during use. The oversized 8" wheels make getting around easier. A convenient storage area under the seat can safely hold personal items. The walker folds easily for storage and transport. Quick tool free assembly.

- Hand brakes lock for safety while seated
- Convenient storage area holds personal items
- Height adjustable handles from 33.75" to 38.75"
- Folds easily for storage and transport
- Oversized 8" wheels for increased maneuverability
