Description

Special Offers

Frigidaire's FRA073PU1 7,000 BTU 115-Volt Portable Air Conditioner is perfect for rooms up to 250 square feet. Ready-select electronic controls allow you to easily select options with the touch of a button. The full-function remote control allows you to precisely control the temperature and fan speed from across the room. The multi-speed fan features three different fan speeds for more cooling flexibility and the swing air direction control automatically directs the air. The clean air ionizer removes pollen and impurities from the air providing relief for allergy sufferers while the antibacterial filter reduces bacteria, room odors, and other airborne particles for a comfortable environment. The SpaceWise portable design includes integrated side handles and caster wheels making it easy to move your unit from room to room.
