

**DECLARATION**

Owner/registrant's current entity name and type is listed as "The American Society of Mechanical Engineers (Corporation New York)." Registrant requests that pursuant to Section 7 of the Lanham Act, 15 U.S.C. § 1057, that the trademark record be corrected to reflect the entity type, as a "Non-Profit Corporation New York," which is a sub-type of corporation.

Prior to the existence of the TEAS electronic filing system, trademarks were filed on paper. The forms did not provide a checkbox to distinguish the entity type as a "for profit corporation" versus a "non-profit corporation" and it was entered manually as a "Corporation." The foregoing error was made in good faith as Registrant was unaware that the U.S. Patent and Trademark Office would recognize "Non-Profit Corporation" as a valid entity type.

Registrant therefore requests that the entity type be changed from CORPORATION NEW YORK to NON-PROFIT CORPORATION NEW YORK.

The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. Section 1001, and that such willful false statements, and the like, may jeopardize the validity of this document, declares that he/she is properly authorized to execute this document on behalf of the owner, and that all statements made of his/her own knowledge are true; and that all statements made on information and belief are believed to be true.
