RESPONSE

Receipt of the Post Registration Office Action issued February 6, 2016, is respectfully acknowledged. Upon review of Registrant's Section 8 & 9 renewal, the Trademark Specialist found an apparent break in the chain of title. Registrant has carefully reviewed the matter and has discovered there was an inadvertent error made in the December 24, 2008 filing of the assignment between Clockwork Home Services, Inc. and Clockwork IP, LLC. In the assignment, Clockwork Home Services, Inc. was inadvertently listed as a Florida corporation, making it appear in the record as if it is a different and separate entity from Clockwork Home Services, Inc., the Delaware Corporation. In fact, there is only one Clockwork Home Services, Inc. entity. Although Clockwork Home Services, Inc. is headquartered in Florida, it is in fact a Delaware corporation.

On April 14, 2016, Registrant filed a corrective assignment through ETAS to correct the error in the December 24, 2008 filing and to correctly list the Assignor, Clockwork Home Services, Inc. as a Delaware corporation. For reference, Registrant has attached a copy of the filing receipt.

Given the foregoing, Registrant respectfully submits it has fully resolved all issues raised in the Post Registration Office Action and respectfully requests Registrant's Section 8 filing be accepted.
