

Sphero Mini™ - Pink

49⁹⁹

[ADD TO CART](#)

Sphero Mini packs tons of fun into a tiny, app-enabled robot about the size of a ping pong ball. Drive Mini using different modes with the Sphero Mini app, or just by using your face. Yes, you read that right. Face Drive is a hilarious new feature that uses your facial expressions to drive the ball.

Mini's games are just as addicting – use the ball as a controller to shoot your way through space, race a ship through a tunnel, or rotate your ball to destroy a polygon of bricks. Thanks to the beauty of app updates, there's always more on the way. If you're feeling extra clever, download the Sphero Edu app and program your robot using JavaScript.

Packed with teeny tiny tech, Sphero Mini has a little gyroscope, accelerometer, and LED lights. Colorful, interchangeable shells are available, so you can easily switch one out to suit your mood. With almost an hour of play time, Sphero Mini is the next big thing.

Mini also includes 3 Mini Traffic Cones and 6 Mini Bowling Pins, but if you've got a hankering for more, there's always the accessory pack.
