### Description

What if your favorite robotic ball grew wings?

Gently shake Sphero to navigate through a never-ending gauntlet of tubes and see how far you can get. Earn Sphero medals as you pass gates 5, 10, 15 and 20.

If you don't have a Sphero, simply tap your screen to guide your flying robot as far as you can.

Compare scores with your friends on the leaderboard and see how far you can get!

Features:

- A robotic ball with wings
- Game Center leaderboards
- Both tap and Sphero controller support
- Purple tubes
- Hours of fun and frustration

### Customer Reviews

How do you connect the sphero ★★★★★  
by Saigeannakate

I love the game but it won't connect the sphero. How do connect it?

Best ★★★★★  
by Baub11

Awsome game better than flappy wings my record is 40 flappyball keepbit up

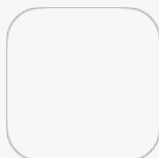

Different controls ★★  
by Moto324

It's good but you have to shake the sphero really hard to jump.
