

**Declaration Signature**

The signatory being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful false statements and the like may jeopardize the validity of the application, submission, or any registration resulting therefrom, declares that the facts set forth above are true; all statements made of his/her own knowledge are true; and all statements made on information and belief are believed to be true.

**Signature Section:**

 Date Signed: July 26th 2019  
 Signatory's Name: NATHALIE CHASSANG  
 Signatory's Position: Director  
 Signatory's Phone Number: \_\_\_\_\_

**NOTE TO APPLICANT:** When filed as part of the electronic form (i.e., scanned and attached as an image file), the signature page **must** include both the signature information **and** the declaration language. Do **not** include the entire application, but do ensure that the declaration language actually appears; *a signature by itself will not be acceptable*. If, due to browser limitations, the declaration language appears on a previous page when printed, you must "merge" the declaration and signature block onto a single page prior to signing, so that the *one complete page* can be scanned to create an acceptable image file. It is recommended that you copy-and-paste the entire text form into another document, manipulate the spacing there to move the declaration and signature section to a separate page, and then print this new version of the text form to send to the signatory.
