RESPONSE TO POST-REGISTRATION OFFICE ACTION.

Commissioner for Trademarks
P.O. Box 1451
Alexandria, VA 22313-1451

This response is respectfully submitted to the Non-Final Office Action issued in regard to Registrant's registration for SPORT SQUAD cited above.

The Registrant will be deleting the following goods from the registration:

Basketball goal sets; basketball goals; basketball hoops; basketball nets; table tennis post sets

The registration will therefore now contain the following items:

basketball table top games; foosball tables; tables for table football

Registrant inadvertently failed to delete the items listed above due to confusion over components of products currently being sold under the mark or products instead being offered under another mark owned by the same parent company.

II. Conclusion

In light of the above, we respectfully submit that the Sections 8 and 15 renewal for the SPORT SQUAD registration should be accepted with the above amended identification.

Respectfully submitted,

/Erica C. Klazmer/
