Product Description

Harness is an effective training tool for puppies and those that pull and lunge excessively. They provide better control over your dog because it discourages pulling and jumping. It can also be a wonderful addition or alternative to a collar for dogs with medical conditions such as collapsing trachea where pressure on their throat can lead to other concerns and for dogs like pugs, who risk their eyeballs protruding from the sockets if too much pressure is put around their neck. Besides, harnesses can be extremely useful if you walk more than one dog at once and need complete control over them at all times. Finally, a major advantage of the dog harness is that it is unlikely to come off accidentally.

Collars vs. Harnesses: Which is Best

Just like people, dogs come in different shapes and sizes with varying needs and personalities. What works best for one dog may not be ideal for another, it depends on the individual needs of you and your pup

Are Harnesses Ideal for Every Dog

While there's no reason to avoid a dog harness, some animals dislike the feeling of it and will need some time to adjust. If you're planning on using a harness with your dog, starting early is the best option. Harnesses are also not a replacement for collars because one of the main uses of a collar is to carry identification. Even if your pet is microchipped, he should always wear an ID tag with contact information.

Benefits

IDEAL FOR PUPPY: It's an effective training tool, especially for puppies and keep distracted pups focused

BETTER CONTROL: They provide better control over your dog because it discourages pulling and jumping.

MEDICAL ADVANTAGE: Dogs with respiratory problems and neck injuries benefit from harnesses and great for specific breeds like pugs, who risk their eyeballs protruding from the sockets if too much pressure is put around their neck

★★★★☆ Cute but questionable quality

Reviewed in the United States on May 17, 2016 Size: Small | Color: Vince Harness | Verified Purchase

The Fit

This harness fits my dog well. I love the fact that it has a strap and velcro in the back, it was one of the main reasons why I decided to purchase this harness. I bought a small and it fits my 7 lb. Chiweenie just fine.

The Look

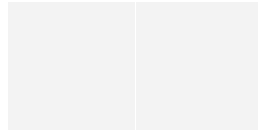

Of course it's cute, that's why I wanted this one. My dog looks so cute in this harness. The matching leash is really adorable too.

The Price

Good price, especially with the matching leash. I like to use a retractable leash but it doesn't hurt to have a spare. Although, I do believe that the price corresponds with the quality, unfortunately.

JP

★★★★☆ Bought a small but returned it and purchased XS instead / Buckle is too large for XS dogs and some small dogs.

Reviewed in the United States on July 13, 2015

Verified Purchase

I have a long hair chihuahua mix (5.6 pounds) with a breast girl of 13-13.5 inches and a neck girl of 6 inches. According to the product description, a SMALL should have fit my dog, and it did "fit" my dog but there was too much of the excess velcro hanging off and it was held together by a small sliver of the velcro. The plastic buckle, which I assume is uniform across all sizes, is solidly built but too large and clunky for a XS/Small dog. Since the overhang velcro was too clumsy for such a small dog, I returned the SMALL and purchased the same harness/leash in an XS, which fit perfectly. However, the buckle was still too large and clumsy. I did take a lighter to the buckle to burn the two pieces of the buckle off, but it was not precise, I ended up melting a small section of the black strap (which was fine), and the procedure required one of my knives (which I had to toss due to burn and soot damage). After my modification, the harness was much better suited for my small chihuahua. We get compliments all the time about how adorable he looks in it.

LOVE THESE HARNESES!!

Purchased 4 of these 🐾

I have 3 little chihuahuas and a collie mix who are pullers and difficult to get the harnesses onto and this harness makes it so easy and fast! Very well made especially for the price, seems durable and comfortable on my pups
Breathable and sturdy
Would buy again!!

★★★★★ Great buy!

Very happy with this purchase! Size M fit my fluffy 12 pound shitzu perfectly! Easily machine washable & has held its colors. Soft material but sturdy. Very happy customer.

Update: it's been almost 2 years since I bought this. It had held up very well through numerous trips through the wash! The color has faded but not nearly to what I had expected! I stand behind my original review 100% & highly recommend this! For the price, you seriously can't pass it up!

★★★★★ **Very Pleased!**

I ordered this for my brand new puppy! He's a Maltitzu and only weighs about 2 pounds. This is the cutest harness ever. It fits on him very well. He's very dainty so the buckles on it are a little heavy but that won't be a problem when he grows a little. I find the leash part to be just fine- not too short. The vest fits on him very snugly so he can't get out of it unless he wiggles a lot but again he is VERY tiny and the Xsmall is just about the right size for him. He'll get to be about 4 pounds and I don't think I'll have to buy a larger one.

★★★★☆ **Super cute!**

Calico Jack was in need of a nautical harness and this definitely fits the bill! I do wish the sizing covered a bigger range. Unfortunately since he's a growing pup I will have to get a bigger size at some point. The price is very reasonable though so I'm not too upset. Also the leash is very cheap. One side is stripes and the other side is black and just looks unfinished. I didn't buy it for the leash so I'm not too worried about it. Over all I love the look!

★★★★★ **Sailor Vest Leash**

Reviewed in the United States on March 20, 2018

My boy looks so sweet in his leash. He is a cat and he is pretty smart. I bought this for him so he could be on the porch with us when its nice out so I wouldn't have to worry about him. The first few times it was great, the 3rd time he figured he could kick it off with his back legs over his head and he slipped it off...so...I have to really watch him now. We haven't used it much since because I'm scared he'll get it off and head to the woods (we have lots of coyotes) so maybe in future.

★★★★★ Adorable, well made

Adorable. I bought extra large and it just fits my 13 lb. Shiz Tzu.. She is 13 in. neck and 20 in. chest, and fits comfortable with a little room to spare and allow for shrinkage. (I have not washed it yet). I would say there sizing chart is correct. Nicely made, good leash and sturdy clip, and just plain "cute".
