

ANALYTICS USER GROUP

MINNEAPOLIS MN | JUNE 11-12 2019

Hi Dana,

Join top brands and retail-industry peers to hear how they leverage analytics to stand out from competitors. You'll return to your office ready to share best practices on how to gain the most out of your SPS Commerce Analytics solution and strategic insights on a range of topics like: inventory optimization, forecasting, holding data driven account reviews, and blending wholesale and digital retail analysis.

At this **exclusive** and complimentary event, you will hear first-hand how our business partners use the SPS Analytics solution to build business as well as have the chance to tour our headquarters in Minneapolis, MN.

Limited seats available so don't miss out!
