PAY ATTENTION TO SIZING

Returned the belt, sizing chart does not correlate to the actual belt correctly. Love the look and feel of the belt though. I will be purchasing a bigger size. It was wider than I thought but had no issues getting through belt loops. Would recommend for the price.

CHINESE 2 PLY BELT

This is a 2 ply Chinese belt, not a bride leather (full grain) belt as it appears to be and I thought I was buying. This had to be deliberately left out of the description. Looks nice now, after 2 weeks but I'm sure within the year it will start falling apart.
