COLOR LEATHER: Black (6) Havana (0) Nut Brown (0)

HORSE SIZE: Full (6)

YOUR PRICE: €19.50

QUANTITY:

[ADD TO CART](#)

Focus cheekpieces, designed for nervous or distracted horses, to restrict the field of vision on the sides. This way, the attention of the horse is focused forward.

Width 3cm
High quality vegetal leather
To be attached to the cheekpieces by means of 2 Velcro closures, with soft leather lining.
Single size
