This water-based, oil-free formula delivers undetectable coverage and a fresh, hydrated glow for the most natural skin-like finish. In addition to weightless, long-wearing coverage and hydration, the formula minimizes the appearance of pores, conceals imperfections, and delivers broad spectrum UV protection. Buildable formula goes easily from light to medium and is available in wide range of shades for all skin tones. Perfect addition to any make-up collection.

Paraben-free; phthalate-free; sulfate-free; sulfite-free; gluten-free; vegan

How To Use: After moisturizing, apply with the Foundation Brush (sold separately) or fingers where needed to even out skin tone and cover imperfections. For complete coverage, dot foundation on nose, forehead, cheeks, and chin and blend out toward the hairline.
