### Description

If you think fondant is just for fancy wedding cakes, think again. Fondant is like kids' modeling dough you can actually eat, which means it's made for fun! This beginners' fondant kit has everything you need to get started using fondant to make fun custom sprinkles and easy cake and cookie decorations. Plus you'll learn how to use food color to paint watercolors on fondant. It's all you need to start learning all sorts of unique ways to decorate sweet treats. It includes white fondant, food colors, a decorating brush and paint palette, a texture mat for imprinting, decorating tip, instruction card and online videos to show you how easy it is to do it all-so it's OK to play with your food!

### Specifications

- This kit makes it easy to learn how to use fondant to decorate cakes, cookies and more
- Personalize sweet treats with fondant decorations you make yourself
- Easy-to-follow instruction card is included, plus get access to additional online videos of how to do each project
- Everything you need to complete one of the featured projects including: 8.8 ounces of white fondant, 0.3 oz. each of yellow, blue and red food color, decorating brush, paint palette, texture mat, large round decorating tip and instruction card
- Made in a facility that also processes milk, egg, soy and tree nuts
