EDUCATION PROVIDER

Why Rain Bird Training Services?

- We have been helping people prepare for IA exams for more than 10 years
- All of our instructors are IA certified irrigation professionals that have a passion for education
- We use IA materials and best management practices as we help you to prepare

For a complete list of organizations that recognize Rain Bird Academy as a CEU provider, please visit our website.

www.rainbirdservices.com

If you require CEU credits for an organization that is not listed, please contact us in advance and we will look into the possibility of becoming an education provider for your organization.

Not all classes are approved for Continuing Education units. Please visit our website or email training@rainbird.com if you have any questions regarding CEU information for any of the organizations listed.
