About Imperial PFS®

- Imperial PFS® is the industry leader for premium financing for insureds, insurance agents and brokers in the United States and including Puerto Rico. The size and independence of Imperial PFS® provides the financial strength and flexibility to handle all of your accounts, ranging from large, complex deals to the small, everyday routine accounts. We have financed loans ranging from \$250 to more than \$35 million.
- In 2015 we financed more than 585,000 loans, totaling over \$7.4 billion in premiums, for more than 14,000 individual insurance agent offices.
- Imperial PFS® is powered by a broad network of more than 23 local offices strategically located across the US, which assures that we know the regional markets and the challenges that you face. We are focused on providing our clients with the highest standards in customer service, and with our goal of providing legendary service, every office is assigned a dedicated internal Account Executive and dedicated external Sales Executive.
- Our creative service offerings are designed to benefit you and your clients. We look forward to your partnership with Imperial PFS®, and providing you with the most comprehensive benefits in the industry.

What is Premium Finance?

Financing insurance premiums allows insureds to better manage their working capital and use it for their primary focus – building and managing their business. Once a policy is written, insureds' agents work with Imperial PFS® to help secure premium financing.

Partnership

- The Secure Risk and IPFS™ relationship dates back to 1996. We have been the only premium finance company endorsed since the inception of the group.
- We are proud of the contributions that we have been able to make to the Georgia and Alabama group that enhances the success of Secure Risk.
