Mission Statement

The Integra Foundation is committed to improving people's lives through medical research and education.

Our focus areas of sponsorship are:

- Regenerative Medicine
- Plastic Surgery
- Neurosurgery, Neurotrauma and Neuromonitoring
- Orthopedic Extremity Solutions

We also consider making grants to:

- Organizations supporting people affected by diseases and conditions within our areas of focus
- Organizations that enhance the health of their communities

Since our inception in 2002, we have awarded more than \$9 million in grants to a wide variety of organizations, promoting education and helping to make a difference in people's lives.
