## Description

The Zeus Arc is a sleek, high-octane vaporizer that is designed in Germany and puts powerful vapor in the palm of your hand. Beneath the small chassis, the Arc features a unique heatsink, isolated airpath, 3 temperature cycles, built-in multi-tool, USB charging, accelerometer, haptic feedback and firmware upgradeable. The Zeus Arc stands just 22.5mm x 42mm x 87mm and comes loaded with a 3500mah battery giving you up 90 minutes of battery life.
