HOW ARC CAN HELP YOU

Stop letting life's stressors get in the way of your peak performance. Our fast-acting, focus enhancing formula was specially designed to help heighten cognitive function, promote better performance, and increase natural energy levels. Unlock your mind's full potential with Arc, nature's answer to a clearer mind and positive enhancement.

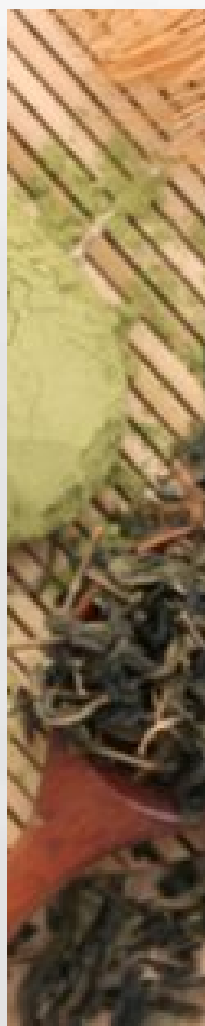

HOW ARC WORKS

The all-natural, organic ingredients in Arc give you the boost you need while helping to maintain mental clarity. Our fast-acting formula is made possible by powerful naturally occurring amino acids, which work to help enhance mental and physical performance and increase natural energy.

TAURINE

Taurine is an invaluable amino acid found naturally within the human body. It's a power player that helps regulate the nervous system and the muscles, as well as play a major role in keeping the brain and the heart healthy. By providing support for neurotransmitters, Taurine has been linked to an improvement in the growth of brain cells.

MATCHA LEAF

Matcha leaf is jam-packed with antioxidants and nutrients. This revolutionary compound improves endurance and promotes brain health by increasing both memory and attention. Growing deep in the heart of Japan, the power of the matcha leaf has been utilized for centuries to unleash mental clarity.
