

WHAT IS JUMPER?

THE CLOUD BASED SOFTWARE
YOUR BUSINESS MUST HAVE.

AMAZON

Jumper works with Amazon, enabling you to cross-market your inventory on your new Amazon-managed storefront, while you're based in the same town.

CLOUD

Jumper brings you the power of the cloud.

ECOMMERCE

Your Jumper-managed storefronts receive integration with social media services such as Facebook, Instagram, YouTube, Twitter and more.

PAYM...

Jumper can help...
