## We power fresh community association brands

### Our Space

OrangeBox Enterprises oversees the daily direction and performance of a number of brands including Spectrum Association Management, Spectrum Gate, Blue Lime Insurance Group, MintFish Premium Finance, and Boardline Academy. The focus of the portfolio is to develop and provide superior service products related to the homeowner's association industry.

### Join Us

Are you interested in a dialog related to the acquisition of your business or partnering with any of our brands? We are actively looking to acquire smaller to midsized single-family association management companies in Texas and Arizona. Our companies have an employee-centric culture with a focus on learning and development while delivering consistently high service level to our customers.
