

Enjoy the Original Wellness Drink – Florida Orange Juice

Every glass of Florida Orange Juice provides the Amazing 5: great taste, vitamin C, potassium, folate and no sugar added.

#TheOriginalWellnessDrink

TASTE

The delicious and unique flavor of Florida OJ is often imitated but never duplicated: sweet, refreshing, empowering – utterly amazing.

VITAMIN C

Florida OJ is an excellent source of Vitamin C, which is important for the formation of collagen (a component of bones, gums and cartilage)

POTASSIUM

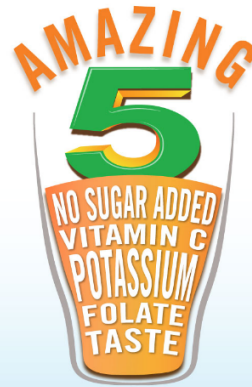

Florida OJ is a good source of potassium. Important for muscle function, potassium also plays a role in nerve transmission and helps maintain the body's fluid, electrolyte and pH balance.

FOLATE

Florida OJ is a good source of folate, a water-soluble B vitamin essential for cell division and healthy red blood cells.

NO ADDED SUGAR

Florida OJ contains no added sugar. The delicious taste of Florida OJ is courtesy of nature's goodness.
