The Verbio Team

Founded in 1996, Verbio partners with businesses and government to reach their customers across languages and across media. We are committed to providing the premium cultural consulting needed to help businesses succeed in their global communications efforts.

Our team incorporates hundreds of native-speakers from around the world who are experts in your industry or subject matter. We are a federally certified DBE, an Oregon certified WBE, ESB, DBE, and ACDBE, and a Washington certified WBE. We're proud members of numerous regional and national organizations and are compliant with key state, federal and international regulations such as ITAR, EAR, HIPAA and GDPR.
