#### Great for playing small gigs

I love this amp its small and portable! I can fit my wire and when I take that out I can fit my phone plus my wallet I love it. It helps with playing small gigs like a small cafe or out on the street its very helpful!

### Ukulele Suitcase 5 Watt Amp

Take your show on the road in style with Luna's vintage suitcase - look ukulele amp! Vintage tolex and a leather handle are authentic touches, crowned by vintage Hawaiian travel stickers that you can place yourself! Guitar strap holders allow you to strap on the amp, plug in your uke and play, untethered and unleashed! The amp opens for easy battery changes, storage of the included AC adapter, and even has a compartment with velcro lid to house your keys, cell phone, wallet or a small snack!
