**Important information**

The billing for your new Xfinity service(s) will begin within 5 days from the date your order for service(s) is sent. Prior to activation of your new Xfinity service(s), please read the Comcast Residential Customer Agreement and the Comcast Customer Privacy Notice provided in the enclosed Xfinity documentation envelope. If you do not accept the terms of the above agreement and notice or want to cancel your Xfinity service(s), please contact Comcast within 30 days of your receipt of this self-installation kit at 1-800-xfinity to arrange the return of this self-installation kit.
